

Boston, Jan'y. 15th. '62

My dear Sir,

After presenting to you my best respects, - I beg to say that I have mailed to your address a copy of a Letter to Hon. Peter Cooper, of New York - on the subject of the Union -

I was advised to publish this Letter by some of our leading men here, - who saw the Manuscript, - so that it might be distributed to strengthen the Union Sentiment. I shall be glad to know your views of its merits, - so that it may be made known & scattered if calculated to do good - I remain, with great respect

Your serv^t & friend

Wm. Chapman
