

West New Brighton S.I. N.Y.
5-22-14

My Dear Col Roosevelt

It has added some
years to my life to know that you have
returned to God's land safe - sane and sound
and hope you will regain your health
and again come to and work out
some truths for the people as this land
of U.S. needs such minds to guide
U.S. hoping for your good health
I am yours

Sincerely,
John M. Burnett
otherwise Jack
